INSTRUMENT NUMBER 29404.

Coeur d'Alene 0218.

THE UNITED STATES OF AMERICA,

To all to whom these presents shall come,

Greeting:

WHEREAS, In pursuance of the provisions of the Revised Statutes of the United States, Chapter Six, Title Thirty-two, and legislation supplemental thereto, there have been deposited in the General Land Office of the United States the Plat and Field Notes of

43/283

Survey and the Certificate of the Register of the Land Office at Coeur d'Alene, Idaho, accompanied by other evidence whereby it appears that the Douglas Mining Company, Limited did, on February 19, 1912, duly enter and pay for that certain mining claim or premises known as the Greeley, Sherman, Grant, Gordon, Douglas Fraction, Apex, St. Joe Fraction, Marion, and Mt. Paul Fraction lots mining claims, designated by the Surveyor General as survey no. 2319, embracing a portion of the unsurveyed public domain in the Yreka mining district, Shoshone county, Idaho, and bounded, described, and platted as follows:

Beginning for the description of the Greeley lots claim at corner no. 1, a fir post five inches square, five feet long, marked 1-2319, in mound of earth and stone, from which U. S. location monument no. 6 bears north forty-four degrees fifty minutes fifty seconds west two thousand eight hundred ninety-seven and seven-tenths feet distant;

Thence, first course, south forty-five degrees twenty-five minutes west six hundred feet to corner no. 2, a cedar stump six inches square, five feet high, marked 2-2319;

Thence, second course, south sixty-one degrees fifty-seven minutes east one thousand four hundred seventy-eight and one-tenth feet to corner no. 3, a cedar post five inches square, five feet long, marked 3-1-2319, in mound of earth and stone; from which discovery bears north thirty-three degrees fifty-eight minutes east two hundred eighty-seven and eight-tenths feet distant;

Thence, third course, north forty-five degrees twenty-five minutes east six hundred feet to corner no. 4, a cedar post five inches square, five feet long, marked 4-4-2319, in mound of earth and stone;

Thence, fourth course, north sixty-one degrees fifty-seven minutes west one thousand four hundred seventy-eight and one-tenth feet to corner no. 1, the place of beginning; the survey of the lots claim as above described extending one thousand four hundred seventy-eight and one-tenth feet in length along said Greeley vein or lots;

Beginning for the description of the Sherman lots claim at corner no. 1, identical with corner no. 3 of said Greeley lots claim, from which said U. S. location monument no. 6 bears north forty-two degrees thirty-nine minutes west four thousand three hundred ten and nine-tenths feet distant; and discovery bears north fifty-five degrees east two hundred ninety-eight and seven-tenths feet distant;

Thence, first course, south thirty-eight degrees eighteen minutes fifteen seconds east one thousand three hundred fifty and twenty-four-hundredths feet to corner no. 2, a fir stump five feet high, six inches square, marked 2-4-1-1-2319;

Thence, second course, north forty-five degrees twenty-five minutes east six hundred feet to corner no. 3, a fir post five inches square, four and one-half feet long, marked 3-3-4-2319, in mound of earth;

Thence, third course, north thirty-eight degrees eighteen minutes fifteen seconds west one thousand three hundred fifty and twenty-four-hundredths feet to corner no. 4, identical with corner no. 4 of said Greeley lots claim;

Thence, fourth course, south forty-five degrees twenty-five minutes west six hundred feet to corner no. 1, the place of beginning; the survey of the lots claim as above described extending one thousand three hundred fifty and twenty-four-hundredths feet in length along said Sherman vein or lots;

Beginning for the description of the Grant lots claim at corner no. 1, a cedar post five inches square, five feet long, marked 1-2319, in mound of earth and stone, from which said U. S. location monument no. 6 bears north forty-two degrees forty-eight minutes twenty seconds west four thousand one hundred sixty-one and three-tenths feet distant; and discovery bears south fifteen degrees forty-three minutes east seven hundred seventy-four and five-tenths feet distant;

Thence, first course, south forty-eight degrees forty-eight minutes west six hundred feet to corner no. 2, a fir post five inches square five feet long, marked 2-4-2319, in mound of earth and stone;

Thence, second course, south thirty-eight degrees twenty-nine minutes east one thousand five hundred feet to corner no. 3, a fir post five inches square, five feet long, marked 3-4-2-2319, in mound of earth and stone;

Thence, third course, north forty-eight degrees forty-eight minutes east five hundred ninety-five and three-tenths feet to corner no. 4, identical with corner no. 2 of said Sherman lots claim;

Thence, fourth course, north thirty-eight degrees eighteen minutes fifteen seconds west one thousand five hundred and twenty-four-hundredths feet to corner no. 1, the place of beginning; the survey of the lots claim as above described extending one thousand three hundred feet in length along said Grant vein or lots.

Beginning for the description of the Douglas lode claim at corner no. 1, identical with corner no. 4 of said Grant lode claim, from which said U. S. location monument no. 6 bears north forty-one degrees thirty-six minutes forty-eight seconds west five thousand six hundred fifty-eight and one-tenth feet distant;

Thence, first course, south forty-seven degrees twenty-four minutes east one thousand four hundred seventy-three and eighty-seven-hundredths feet to corner no. 2, a cedar post four inches square, five feet long, marked 2-4-2319, in mound of earth and stone, from which discovery bears north twenty-five degrees fourteen minutes west seven hundred ninety-four feet distant;

Thence, second course, north forty-five degrees twenty-five minutes east six hundred feet to corner no. 3, a fir stump five feet high, seven inches square, marked 3-3-2319;

Thence, third course, north forty-seven degrees twenty-four minutes west one thousand four hundred seventy-three and eighty-seven-hundredths feet to corner no. 4, identical with corner no. 3 of said Sherman lode claim;

Thence, fourth course, south forty-five degrees twenty-five minutes west six hundred feet to corner no. 1, the place of beginning; the survey of the lode claim as above described extending one thousand four hundred seventy-three and eighty-seven-hundredths feet in length along said Douglas vein or lode;

Beginning for the description of the Gordon lode claim at corner no. 1, identical with corner no. 1 of said Douglas lode claim; from which discovery bears south five degrees three minutes east four hundred forty-three feet distant;

Thence, first course, south forty-eight degrees forty-eight minutes west five hundred ninety-five and three-tenths feet to corner no. 2, identical with corner no. 3 of said Grant lode claim;

Thence, second course, south forty-seven degrees thirteen minutes west one thousand four hundred seventy-three and seven-tenths feet to corner no. 3, on a steep rock and not established;

Thence, third course, north forty-eight degrees forty-eight minutes east twenty-five feet to witness corner to said corner no. 3, a cross X and W O 3-2319 marked on a slate rock in place eighteen inches above ground, two feet long; six hundred feet to corner no. 4, identical with corner no. 2 of said Douglas lode claim;

Thence, fourth course, north forty-seven degrees twenty-four minutes west one thousand four hundred seventy-three and eighty-seven-hundredths feet to corner no. 1, the place of beginning; the survey of the lode claim as above described extending one thousand four hundred seventy-three and eighty-seven-hundredths feet in length along said Gordon vein or lode;

Beginning for the description of the Douglas Fraction lode claim at corner no. 1, a fir post five inches square, five feet long, marked 1-2319, in mound of earth from which said U. S. location monument no. 6 bears north forty-seven degrees forty-seven minutes west five thousand six hundred ninety-four and seven-tenths feet distant;

Thence, first course, south eight degrees forty minutes east fourteen and ninety-six-hundredths feet to corner no. 2, a fir post four inches square, four and one-half feet long, marked 2-2319, in mound of earth;

Thence, second course, south forty-seven degrees twenty-four minutes east one thousand four hundred twenty-six and forty-one-hundredths feet to corner no. 3, identical with corner no. 3 of said Douglas lode claim, from which discovery bears north forty-two degrees forty-two minutes west five hundred ninety-five feet distant;

Thence, third course, north eight degrees forty minutes west four hundred sixty-four and four-tenths feet to corner no. 4, a fir stump four feet high, four inches square, marked 4-2319;

Thence, fourth course, north sixty-two degrees three minutes west one thousand one hundred eleven and ninety-five-hundredths feet to corner no. 1, the place of beginning; the survey of the lode claim as above described extending one thousand three hundred forty and one-tenth feet in length along said Douglas Fraction vein or lode;

Beginning for the description of the Apex lode claim at corner no. 1, a fir post five inches square, five feet long, marked 1-2319, in mound of earth and stone, from which said U. S. location monument no. 6 bears north fifty degrees twenty-six minutes thirty seconds west five thousand twenty-nine and sixty-three-hundredths feet distant;

Thence, first course, south twenty-five degrees eighteen minutes west one hundred fifty feet to corner no. 2, a fir post five inches square, five feet long, marked 2-2319, in mound of earth;

Thence, second course, south thirty-eight degrees eighteen minutes fifteen seconds west five hundred eighty-nine feet to corner no. 3, identical with corner no. 3 of said Sherman lode claim;

Thence, third course, south sixty-two degrees three minutes east eight hundred forty-three feet to corner no. 4, a fir post five inches square five feet long, marked 4-2319, in mound of earth, from which discovery bears north thirty-five degrees forty-two minutes west five hundred twenty-three and two-tenths feet distant.

Thence, fourth course, north twenty-five degrees eighteen minutes east five hundred ninety-five feet to corner no. 5, a fir stump five feet high, five inches square, marked 5-2319;

Thence, fifth course, north seventy degrees twenty-nine minutes west one thousand three hundred eighty-five and seventy-eight-hundredths feet to corner no. 1, the place of beginning; the survey of the lode claim as above described extending one thousand three hundred eighty-three and nine-hundredths feet in length along said Apex vein or lode;

Beginning for the description of the St. Joe Fraction lode claim at corner no. 1, a cedar post six inches square, five feet long, marked 1-2319, in mound of earth and stone, from which said U. S. location monument no. 6 bears north twenty-two degrees sixteen minutes west three thousand five hundred seventy-eight and six-tenths feet distant;

Thence, first course, south thirty-eight degrees twenty-nine minutes east ten feet to corner no. 2, a cedar stump six inches in diameter, five and one-half feet high marked 2-1-2319;

Thence, second course, south seventy-one degrees twenty-six minutes east one thousand three hundred ten and fifty-four-hundredths feet to corner no. 3, a cedar post six inches square, five feet long, marked 3-5-2319, in mound of earth and stone;

Thence, third course, north thirty-eight degrees twenty-nine minutes west three hundred sixty-eight and twenty-eight-hundredths feet to corner no. 4 identical with corner no. 2 of said St. Joe Fraction lode claim, from which discovery bears south thirty degrees thirty-nine minutes east two hundred fourteen and five-tenths feet distant;

Thence, fourth course, north eighty-two degrees twenty-one minutes twenty seconds west one thousand twenty-eight and five-tenths feet to corner no. 1, the place of beginning; the survey of the lode claim as above described extending one thousand two hundred nineteen and forty-seven-hundredths feet in length along said St. Joe Fraction vein or lode;

Beginning for the description of the Marmion lode claim at corner no. 1, identical with corner no. 2 of said St. Joe Fraction lode claim, from which said U. S. location monument no. 6 bears north twenty-two degrees nineteen minutes thirty seconds west three thousand five hundred eighty-eight and one-tenth feet distant;

Thence, first course, south twenty-two degrees thirty-one minutes west five hundred seventy-eight feet to corner no. 2, a fir stump five inches square, five feet long, marked 2-2319, in mound of earth and stone;

Thence, second course, south seventy-eight degrees twenty-one minutes thirty-five seconds east one thousand four hundred seventy-three feet to corner no. 3, a fir post five inches square, four and one-half feet long, marked 3-2-2319, in mound of earth and stone, from which discovery bears north twenty-four degrees seventeen minutes west three hundred sixty-three and seven-tenths feet distant;

Thence, third course, north twenty-two degrees thirty-one minutes east three hundred thirteen and twenty-six-hundredths feet to corner no. 4, a cedar post seven inches square, five feet long, marked 4-1-2319, in mound of earth and stone;

Thence, fourth course, north thirty-eight degrees twenty-nine minutes west one hundred fifty-nine and eight-hundredths feet to corner no. 5, identical with corner no. 3 of said St. Joe Fraction lode claim;

Thence, fifth course, north seventy-one degrees twenty-six minutes west one thousand three hundred ten and fifty-four-hundredths feet to corner no. 1, the place of beginning; the survey of the lode claim as above described extending one thousand four hundred seventy-three feet in length along said Marmion vein or lode;

Beginning for the description of the St. Paul Fraction lode claim at corner no. 1, identical with corner no. 4 of said Marmion lode claim from which said U. S. location monument no. 6 bears north thirty-five degrees thirty-five minutes west four thousand seven hundred thirteen and nine-tenths feet distant;

Thence, first course, south twenty-two degrees thirty-one minutes west three hundred thirteen and twenty-six-hundredths feet to corner no. 2, identical with corner no. 5 of said Marmion lode claim;

Thence, second course, south thirty-four degrees twelve minutes east one thousand seventeen and fifty-four-hundredths feet to corner no. 3, a cedar post seven inches square, five feet long, marked 3-2319, in mound of earth and stone;

Theno, third course, north twenty-two degrees thirty-one minutes east, four hundred feet to corner no. 4, identical with corner no. 3 of said Grant lot claim, from which discovery bears south sixty-three degrees sixteen minutes west fifty-three and six-tenths feet distant.

Theno, fourth course, north thirty-eight degrees twenty-nine minutes west, nine hundred seventy-two and sixty-four-hundredths feet to corner no. 1, the place of beginning; the survey of the lot claim as above described extending nine hundred seventy-two and sixty-four-hundredths feet in length along said St. Paul Fraction vein or lode; the premises, herein granted, containing one hundred forty-three and ninety-four-hundredths acres, more or less.

NOW KNOW YE, That there is therefore, pursuant to the laws aforesaid, hereby granted by the United States unto the said grantee and to the heirs, or successors, and assigns of said grantee the said mining premises hereinbefore described, and not expressly excepted from these presents, and all that portion of the said veins, lodes, or ledges, and of all other veins, lodes, and ledges throughout their entire depth, the tops or spires of which lie inside of the surface boundary lines of said granted premises in said survey, extended downward vertically, although such veins, lodes, or ledges in their downward course may so far depart from a perpendicular as to extend outside the vertical side lines of said premises! Provided, That the right of possession to such exterior parts of said veins, lodes, or ledges shall be confined to such portions thereof as lie between vertical planes drawn downward through the end lines of said survey so continued in their own direction that such planes will intersect such exterior parts of said veins, lodes, or ledges! And provided further, That nothing herein contained shall authorize the grantee herein to enter upon the surface of a claim owned or possessed by another.

TO HAVE AND TO HOLD said mining premises, together with all the rights, privileges, immunities, and appurtenances of whatsoever nature therunto belonging, unto the said grantee above named and to the heirs, or successors, and assigns of said grantee forever; subject, nevertheless, to the above-mentioned and to the following conditions and stipulations:

FIRST. That the premises hereby granted shall be held subject to any valid and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local laws, customs and decisions of the courts. And there is reserved from the lands hereby granted a right of way thereon for ditches or canals constructed by the authority of the United States.

SECOND. That in the absence of necessary legislation by Congress, the legislature of Idaho may provide rules for working the mining claim or premises hereby granted, involving easements, draining, and other necessary means to its complete development.

IN TESTIMONY WHEREOF, I, William H. Taft President of the United States of America, have caused these letters to be made Patent, and the Seal of the General Land Office to be hereunto affixed.

GIVEN under my hand, at the City of Washington, the second day of October in the year of our Lord one thousand nine hundred and twelve, and of the Independence of the United States the one hundred and thirty-seventh.

THE UNITED STATES OF AMERICA, TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETING:

WHEREAS, in pursuance of the provisions of the revised Statutes of the United States, Chapter six, Title thirty-two and legislation supplemental thereto, there have been deposited in the General Land Office of the United States the Plat and Field Notes of Survey and the Certificate of the Register of the Land Office at Coeur d'Alene, Idaho, accompanied by other evidence whereby it appears that the DOUGLAS MINING COMPANY LIMITED, has entered and paid for the Owl Group comprising the RUTH, OWL, BESSIE, OLIVER and TRAVERS lode mining claims, designated as Survey No. 6178, embracing a portion of Sections two and three in Township forty-seven north and Section thirty-four in Township forty-eight north all in Range two east of the Boise Meridian, in the Idaho Mining District, Shoshone County, Idaho, and bounded, described and platted as follows:

Beginning for the description of the RUTH lode claim, at corner No.1, a cedar post six inches square, four and one-half feet long, marked 1-1-6178, with mound of earth and stone, from which the witness corner to the quarter corner between Sections two and three in Township forty-seven north of Range two east of the Boise Meridian, bears south two degrees seventeen minutes nine seconds east seven hundred forty-nine and eighteen-hundredths feet distant;

Thence, first course, north seventy degrees eleven minutes west six hundred sixty-eight and thirty-five-hundredths feet intersect line 8-4 of the St. Paul Fraction lode claim Survey No. 2318, at south twenty-two degrees thirty-one minutes west two hundred eighty-three and eighty-nine-hundredths feet from corner No.4; eight hundred thirty-three and fifty-six-hundredths feet intersect line 2-2 of said St. Paul Fraction lode claim, at south thirty-four degrees twelve minutes east eight hundred twenty and thirteen-hundredths feet from corner No.2; one thousand five hundred feet to corner No.2, a fir post five inches square, four and one-half feet long, marked 1-4-6178, with mound of earth and stone;

Thence, second course, north twenty degrees nine minutes east three hundred feet to a point from which discovery tunnel bears south seventy degrees eleven minutes east two hundred twenty-seven feet distant; four hundred eighty-one and eighty-six-hundredths feet to corner No.3, a cedar post six inches square, four and one-half feet long, marked 2-3-2318 and 3-4-6178, with mound of earth and stone; identical with corner No.1 of said St. Paul Fraction lode claim and corner No.3 of the Larkmier lode claim Survey No. 2318;

Thence, third course, south seventy degrees eleven minutes east five hundred twenty-one and seventeen-hundredths feet intersect line 4-1 of said St. Paul Fraction lode claim also line 2-3 of the Grant lode claim Survey No. 1818, at north thirty-eight degrees twenty-nine minutes west three hundred seventy-seven and thirty-four-hundredths feet from corners Nos. 4 and 3, respectively; nine hundred fifty-two and five-hundredths feet intersect line 4-4 of said Grant lode claim, also line 1-5 of the Gordon lode claim Survey No. 2318, at north forty-eight degrees forty-eight minutes east two hundred twenty-six and sixty-seven-hundredths feet from corners Nos. 3 and 1, respectively; one thousand five hundred feet to corner No.4, a fir post eight inches square, four and one-half feet long, marked 4-3-6178, with mound of earth and stone;

Thence, fourth course, south twenty degrees nine minutes west four hundred seventy-five and eighty-eight-hundredths feet intersect line 2-3 of said Gordon lode claim, at south forty-seven degrees thirteen minutes east seven hundred eleven and four-tenths feet from corner No.2; four hundred eighty-one and eighty-six-hundredths feet to corner No.1, the place of beginning; the survey of the lode claim, as above described, extending one thousand five hundred feet in length along said Ruth vein or lode;

Beginning for the description of the OWL lode claim, at corner No.1, identical with corner No.1 of said Ruth lode claim;

Thence, first course, south sixty-one degrees forty-nine minutes west three hundred ninety-five feet to a point from which discovery tunnel bears north seventy degrees eleven minutes west four hundred thirty feet distant; seven hundred ninety feet to corner No.2, a cross (x) at exact corner and 2-6178 marked on face of cliff of rock in place 60 x 15 feet;

Thence, second course, north seventy degrees eleven minutes west one thousand five hundred feet to corner No.3, a pine post seven inches square, four and one-half feet long, marked 3-6178, with mound of earth and stone;

Thence, third course, north sixty-one degrees forty-nine minutes east seven hundred ninety feet to corner No.4, identical with corner No.2 of said Ruth lode claim;

Thence, fourth course, south seventy degrees eleven minutes east six hundred sixty-six and forty-four-hundredths feet intersect line 2-3 of said St. Paul Fraction lode claim, at north thirty-four degrees twelve minutes west one hundred ninety-seven and forty-one-hundredths feet from corner No.3; eight hundred thirty-one and sixty-five-hundredths feet intersect line 3-4 of said St. Paul Fraction lode claim, at north twenty-two degrees thirty-one minutes east one hundred sixteen and eleven-hundredths feet from corner No.3; one thousand five hundred feet to corner No.1, the place of beginning the survey of the lode claim, as above described, extending one thousand five hundred feet in length along said Owl vein or lode;

Beginning for the description of the BESSIE lode claim, at corner No.1, a fir post six inches square, four and one-half feet long marked 1-6178, with mound of earth and stone, from which said quarter section witness corner bears south fifty-two degrees sixteen minutes thirty-five seconds east one thousand eight hundred seventy-three and thirty-three-hundredths feet distant;

Thence, first course, north seventy-seven degrees thirty-three minutes west one hundred twenty and six-tenths feet intersect line 3-4 of said Owl lode claim; one thousand four hundred seventy-three feet to corner No.2, a fir post six inches square, four and one-half feet long marked 2-6178, with mound of earth and stone;

Thence, second course, north twenty degrees nine minutes east six hundred feet to corner No.3, a pine post eight inches square, four and one-half feet long, marked 2-2-6178 and 3-4-6178, with mound of earth and stone; identical with corner No.2 of said Larkmier lode claim;

Thence, third course, south seventy-seven degrees thirty-three minutes east one thousand four hundred seventy-three feet to corner No.4, identical with corner No.3 of said Larkmier lode claim;

Thence, fourth course, south twenty degrees nine minutes west three hundred feet to a point from which discovery cut bears north seventy-seven degrees thirty-three minutes west one hundred feet distant; six hundred feet to corner No.1, the place of beginning; the survey of the lode claim, as above described, extending one thousand four hundred seventy-three feet in length along said Bessie vein or lode.

Beginning for the description of the OLLIVER lode claim, at corner No.1, a pine post seven inches square, four and one-half feet long, marked 1-3178, with mound of earth and stone, from which the corner to Sections three and four in Township forty-seven north and Sections thirty-three and thirty-four in Township forty-eight north all in Range two east of the Boise Meridian, bears north sixty-six degrees fifty-two minutes five seconds west one thousand nine and sixty-five hundredths feet distant;

Thence, first course, north twenty degrees nine minutes east four hundred forty-two and ninety-one-hundredths feet intersect line 1-2 of Survey No.2621, the Mammoth lode claim, at north eighty degrees twenty-two minutes west four hundred four and seventy-eight-hundredths feet from corner No.2; six hundred feet to corner No.2, a fir post six inches square, four and one-half feet long, marked 1-2-3178, with mound of earth and stone;

Thence, second course, south seventy degrees thirty-seven minutes east one thousand five hundred feet to corner No.3, identical with corner No.3 of said Bessie lode claim;

Thence, third course, south twenty degrees nine minutes west three hundred feet to a point from which discovery cut bears north seventy degrees thirty-seven minutes west sixty-three feet distant; six hundred feet to corner No.4, identical with corner No.4 of said Bessie lode claim;

Thence, fourth course, north seventy degrees thirty-seven minutes west one thousand eight-sixty and thirty-six-hundredths feet intersect line 2-3 of said Survey No.2621, at south eighteen degrees twenty-four minutes west five hundred eleven and five-tenths feet from corner No.2; one thousand five hundred feet to corner No.1, the place of beginning; the survey of the lode claim, as above described, extending one thousand five hundred feet in length along said Olliver vein or lode;

Beginning for the description of the TRAVERS lode claim, at corner No.1, identical with corner No.2 of said Olliver lode claim, from which said section corner bears south eighty-one degrees thirty-eight minutes fifty-five seconds west one thousand one hundred forty-seven and three-tenths feet distant;

Thence, first course, north twenty-three degrees twenty minutes east five hundred seventy-eight feet to corner No.2, a tamarack post eight inches square, four and one-half feet long, marked 2-3178, with mound of earth and stone;

Thence, second course, south seventy degrees thirty-seven minutes east one thousand four hundred ninety-one and seventy-five-hundredths feet intersect line 1-2 of said Marmion lode claim, at north twenty-two degrees thirty-one minutes east five hundred seventy-seven and forty-nine-hundredths feet from corner No.2; one thousand five hundred feet to corner No.3, a cedar post six inches square, four and one-half feet long, marked 3-3178, with mound of earth and stone;

Thence, third course, south twenty-three degrees twenty minutes west three hundred feet to a point from which discovery cut bears north seventy degrees thirty-seven minutes west ninety feet distant; five hundred seventy-eight feet to corner No.4, identical with corner No.2 of said Marmion lode claim;

Thence, fourth course, north seventy degrees thirty-seven minutes west one thousand five hundred feet to corner No.1, the place of beginning; the survey of the lode claim, as above described, extending one thousand five hundred feet in length along said Travers vein or lode; - expressly excepting and excluding from these presents all that portion of the ground hereinbefore described, embraced in said mining claim or Survey No.2621; and said Grant, Gordon, St. Paul Fraction and Marmion lode claims Survey No.2318, and also all veins, lodes and ledges throughout their entire depth, the tops or apexes of which lie inside of such excluded ground; the premises herein granted containing eighty-one acres and nine hundred forty-seven thousandths of an acre.

NOW KNOW YE, That there is therefore, pursuant to the laws aforesaid, hereby granted by the United States unto the said Douglas Mining Company, Limited, the said mining premises hereinbefore described, and not expressly excepted from these presents, and all that portion of the said veins, lodes or ledges and of all other veins, lodes and ledges throughout their entire depth, the tops or apexes of which lie inside of the surface boundary lines of said granted premises in said survey extended downward vertically, although such veins, lodes or ledges in their downward course may so far depart from a perpendicular as to extend outside the vertical side lines of said premises; Provided, that the right of possession to such outside parts of said veins, lodes or ledges shall be confined to such portions thereof as lie between vertical planes drawn downward through the end lines of said survey so continued in their own direction that such planes will intersect such exterior parts of said veins, lodes or ledges; And provided further, that nothing herein contained shall authorize the grantees herein to enter upon the surface of a claim owned or possessed by another.

TO HAVE AND TO HOLD said mining premises, together with all the rights, privileges immunities and appurtenances of whatsoever nature therunto belonging, unto the said grantee above named and to its successors and assigns forever; subject, nevertheless, to the above mentioned and to the following conditions and stipulations:

FIRST, That the premises hereby granted shall be held subject to any vested and accrued water rights for mining, agricultural, manufacturing or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local laws, customs and decisions of the courts; and there is reserved from the lands hereby granted a right of way thereon for ditches or canals constructed by the authority of the United States.

SECOND, That in the absence of necessary legislation by Congress, the Legislature of Idaho may provide rules for working the mining claim or premises hereby granted involving easements, drainage and other necessary means to its complete development.

IN TESTIMONY WHEREOF, I, Herbert Hoover, President of the United States of America, have caused these letters to be made patent and the seal of the General Land Office to be hereunto affixed.

SHOSHONE COUNTY, IDAHO
